PARCEL 899, VALLEY VIEW DRIVE, CEDAR VALLEY, ANTIGUA PRICE US\$80,000

Located on a hillside overlooking the eastern end of Cedar Valley this half acre plot is well located with good road access and convenient to the shops, restaurants, supermarkets and offices of St. John's which is about ten minutes drive away. Cedar Valley golf course is just around the corner.

The land faces south east and benefits from the prevailing tradewind breezes which generally blow from that direction. The residential road is quiet with little development and no through traffic. Being quite elevated, the views are across the centre of the island. Once off the road, the land levels a little making construction easier.

The land is competitively priced for a quick sale.

PRICE US\$80,000
