A detached house constructed of concrete block primarily on one floor and is conveniently located near the centre of the island. This spacious property is within easy reach of both English Harbour in the south and the capital of St. John in the north, both being about 20 minutes drive away.

The accommodation comprises a large living room, separate dining room, kitchen with new units, utility room, master bedroom with en-suite bathroom, two further double bedrooms, family bathroom, front and rear verandas. The rear veranda has views across the island to the Atlantic Ocean in the distance and benefits from the easterly breezes.

Below the living accommodation is a very large entertaining area which could easily be enclosed to provide extra living space or an income suite.

Easily maintained garden, large cistern, garage/car port, mains electricity.
