The apartment is the lower floor of a house situated in the village of Buckleys in the centre of the island and located in an area known as Buckleys Heights which has views over the north side of Antigua and takes advantage of the cooling trade winds that are a feature of this part of the Caribbean.

The apartment has 2 bedrooms, one of which is separated from the main apartment and opens directly out onto the pool deck and has its own en-suite bathroom. The other bedroom also has its own bathroom. Both bedrooms have ceiling fans.

Open plan living/kitchen with veranda/poolside dining and there is use of the pool and immediate garden.

St. John's is 15 minutes drive to the north and English Harbour 15 minutes to the south. Jolly Harbour is about the same distance and the international airport about 20 minutes away.
