About this property

Situated in the exclusive enclave of Savannah overlooking Crawl Bay and just minutes away from the World UNESCO site of English Harbour.

The 3 Bedroom 3 bathroom home sits on 1 acre of well manicured mature tropical gardens with private and secluded access and stunning panoramic views of Willoughby Bay. The property was designed by award winning architect, Andrew Goodenough, with bespoke doors and windows throughout. The living, dining and covered veranda areas overlook the stunning picturesque pool ideally positioned with stunning vistas overlooking the bay.

With coral stone tiling throughout the property, you're enveloped in class and luxury.

The modern fully equipped kitchen enables you to stay connected to your guests when dining internally or externally. The master suite with vaulted ceilings, on suite bathroom and large closet is punctuated with stunning handmade furnishing.

The two spacious guest bedrooms on the lower ground floor have glorious sea views with their own private verandas and are blessed with a cooling breeze.
