PLOT 433, PILLAR ROCK, FIVE ISLANDS, ANTIGUA

PRICE US\$76,228

A building plot of just under a quarter acre located on the Pillar Rock peninsula with open sea and beaches to the north east and a lagoon to the south west.

The plot slopes towards the lagoon taking best advantage of the views (once the trees and undergrowth are cleared)

With views over the lagoon the plot also benefits from sunsets over the Caribbean Sea and prevailing breezes.

Good road access, ten minutes drive to St. John's with its international supermarkets, shops, cinemas, and restaurant and about half an hour's drive to the international airport.
