FREEHOLD BEACH FRONT RESTAURANT, ANTIGUA

OFFERS INVITED

A rare opportunity to purchase a freehold beach front restaurant and bar.

Confidentially on the market, this restaurant has direct access to a beautiful sandy beach, over 50 covers plus bar area and beach loungers.

Extending to nearly an acre of land the existing premises can be expanded or other uses could be found for the property.

Pre-Covid, the existing restaurant and bar had a thriving trade with both locals and tourists and this trade is returning as Antigua's tourism market re-opens.

Interested parties will be required to prove a genuine interest and sign a Non-disclosure Agreement to receive further information.
