### **STINGRAY VILLAS, TAMARIND HILLS, ANTIGUA**

**From US\$3,000,000**

Two to four bedroom oceanfront villas with infinity pools and stunning sea views. Eligible for citizenship under the CIP programme. Six of these stunning villas have so far been constructed with 12 more planned for development. All with stunning views over a turquoise sea and linked to two white powdery sand beaches by an ocean front boardwalk.

The ocean front Stingrays are located directly above the Caribbean Sea and are beautifully appointed 2, 3 and 4 bedroom apartments with fabulous panoramic views, huge open plan living areas and large wrap around terraces. They are on two floors with magnificent views from every location with stunning sunsets over the neighbouring islands of Montserrat, St Kitts and Nevis.

Originally constructed in pairs of two bedroom duplex villas, they have now been combined to provide one much larger 3 or 4 bedroom residences with 180 degree sweeping vistas. Two further Stingray villas are currently under construction each offering 2,500 square feet of accommodation. Enquire now for reservations.

Tamarind Hills Oceanfront Stingray villas are eligible for Antiguan citizenship under the Citizenship by Investment Programme.

**Prices from US\$3,000,000**
